Ah, ok. Thx, Devin.

And Matthew, if you do know anyone at People Street, would love to get a name. We're looking at closing off one of our northern side streets from Melrose to the alleyway.

Hi Kim!

I don't believe we have worked with People Street at all; LA Mas was our partner on the park, along with the private property owner. The Sunset & Vine BID paid for it.

I'm cc'ing Matthew here on our staff in case he does have a contact there.

Cheers,

Devin

Hi Devin:

Finally getting around to exploring our Melrose parklet project in more depth. Did you work with People Street on yours at all? If so, do you have a contact I can reach out to?

Best,

Kim

The organization is called LA MAS and their website is <http://www.mas.la/>

You may have previously worked with Helen Leung, the co-executive director, as she used to work for Garcetti when he was the councilmember for Hollywood.

Hi guys:

Thank you so much for your time yesterday. All of the ideas were really great, and we appreciate your helping us so much. One question, in going through my notes...who is the organization that's helping you guys develop your parklet at Selma & Ivar? Curious to learn more.

Thanks,
Kim
